A message from the Parish Council ...

PLEASE HELP OUR CLERK GET ON WITH HER WORK!

Since the Clerk moved into the new Parish Council Office she has been inundated with callers – both in person and on the telephone. The Clerk is both able and willing to help any resident with a problem which falls within the duties of the Parish Council, but she cannot help with the following:-

- Disputes between neighbours – please call the Police or see a solicitor if you are unable to deal with the problem yourself.
- The bus did not arrive – please telephone the bus company
- Wheelie bins – please telephone South Cambridgeshire District Council
- Parking – Police or County Council
- Trolleys – Tesco Store

If you are interested in a particular issue in the village, please check the Parish Council's page in the Bar Hill News every month – the Clerk puts regular updates in there. If you are interested in all that the Council does, please look at the minutes. There is a copy in the Office window and also in the Library. These will show you the events as they unfold and you will be able to see which factors the Councillors discussed before a decision is made. We also have a website but there is a slight delay in the latest information being published.

Council tax pays for the Clerk and it is in everyone's interest that she should be able to get on with the work the Council requires her to do. Please help her by calling only if it is an issue that is the responsibility of the Parish Council.

As from the first week in July the office will continued to be open between 10am and 12 noon Mondays to Thursdays but it will be closed on Fridays. If you are unable to see the Clerk during these times you can telephone to make a mutually convenient appointment.

Copy date for the next issue is 15th July to Martin Avery at bhneditor@yahoo.com or see page 2 for other contact details

Dear Sir

We visited Over Community Centre today, at the invitation of Over Colts Under 9's football team. We had a very sociable afternoon, sitting on the patio outside the public bar area, the football teams played on the pitch a few yards away from the patio area whilst the younger children played in a wonderfully equipped enclosed play area. There were changing room facilities for both the children and adults. There are conference facilities, a conservatory and a playgroup room. We would like to host a similar social event in Bar Hill but what facilities are available - a red tin roofed building where the bar is on the 2nd floor and is only available to members, a Scout Hut desperately in need of renovation or the SPARC building. None of these come close to Over's facilities.

Is the much promised village hall revamp going to provide similar facilities to those that Over enjoy? In fact what is the village hall revamp going to provide? How much is it going to cost? As a resident I would like to know. Perhaps there should be a public meeting to discuss the plans and to ensure the "community" get what they have so desperately needed for the past 30 years or so. There is the additional issue of the various notices which appeared around the village last year telling residents about the proposed development on the approach to the village.

The Parish Council were keen to seek the villagers input into how the Tesco money should be spent, but there hasn't been a follow up meeting to say how the money has actually been spent and whether there is now anything left. Before entering into such a huge financial commitment surely the residents are entitled to some form of consultation via a public meeting which of course should take place before the plans are finalised. Otherwise it may only be the few whose needs are catered for rather than the many of us who live in Bar Hill.

Yours faithfully
Lindsey Bladen

Dear Editor.

In the last few weeks I have found so many birds dead in my garden and about the village. I've seen cats playing with dead birds. This is very upsetting. Please could cat owners invest in a small bell for cats collars? These only cost a few pence and are very effective. These give the birds a sporting chance. As most bird species are in decline this small act would save many birds. I hear cat owners saying "I don't want my cat tinkling all over the house". Take that which way you like. If tinkling is annoying, slip collar off when Garfield arrives home for dinner if he's not already eaten his dinner in the garden.

Mrs Jean Burrage

FROM YOUR COUNTY COUNCILLOR

I make no excuses in returning again to the subject of the A14, but this time there is some progress to report from my recent meeting with the Highways Agency.

We now know that there is to be a full consultation on the proposals to improve the A14 between Ellington and Fen Ditton starting in September for 12 weeks.

The likely proposals in the Multi Modal Study will be for a 3 lane dual carriageway, but not to motorway standard, with a reduced number of interchanges and a network of additional local roads, all at a total cost close to £500 million.

I raised concerns regarding noise and pollution that already affect Girton, Dry Drayton and Bar Hill. There must be serious mitigation, including the use of road surfacing reduced noise, tree belts etc. Any upgrading of the A14 must be to the benefit of these communities.

I have also pressed for the Girton interchange to be redesigned to enable movements to include the A428 / M11 and the A11. I have also called for the M11 junction with Madingley road to be redesigned to include north facing slip roads. Both of these changes would assist in reducing traffic through Dry Drayton and Madingley.

One of the key problems to be solved must be the Bar Hill junction, we need better access to the village. I have stressed the importance of the A14 / Northstowe link being completed at the earliest opportunity so the Bar Hill is not adversely affected by Construction traffic.

We are all concerned that with proposed major expansion of Stansted Airport road traffic modelling and design must take account of these and other developments in the Cambridge sub-region over the next 30 years.

I am available for consultation, either in person or by phone, letter or e-mail. I can be reached at the address or telephone number below.

Dear Editor.

So, Cambridge Constabulary has a Wildlife Crime Officer who conducts investigations. What a pity they don't direct their resources towards the anti-social behaviour referred to in your June column by Mrs Bryden, or maybe a Gypsy Moving on Officer, one assumes a Graffiti Reduction Officer is asking too much.

Maybe, it's just a case that Wildlife Crime Officers rate more 'brownie points' in the Chief Constable knighthood stakes than everyday good old fashion crimes of which most of us are well and truly fed up.

Having spent a vast sum of our money on their 'Ego Palace' can the Parish Council really not go that extra mile and equip it with a new fridge?

Name and address supplied

Dear Editor,

I would like to thank Tom Flanagan for all his hard work and dedication to duty over the past ten years as a District Councillor.

Irrespective of Party politics, Tom has always served the people of Bar Hill in an exemplary manner, helping those with problems and ensuring that resident's needs were satisfied.

Again, Tom, thank you for everything that you have done for us.

Yours faithfully
Michael Boughton-Fox

Dear Residents

We are delighted to have been elected as the District Councillors for Bar Hill on 10th June, and this is just a personal note to thank you for your support.

We are sorry that we were not able to meet with everyone in the village recently but look forward to meeting many more of you in the coming months and years. Through the Bar Hill News, we intend to keep you informed, and we shall be holding regular advice surgeries in the village.

We have many challenges ahead in South Cambridgeshire during the next few years such as the new town of Northstowe, the widening of the A14 and, at the other end of our ward, the proposed Wind Farm which, if erected, will be the largest onshore Wind Farm in the country. Our primary aim will to ensure that the effects of these changes on the village will be minimal.

If you have the need to contact us with any issues which concern you please phone, email or write and we shall get back to you to assist in any way we can.

Thank you again.

Yours sincerely,
Bunty Waters, 77 Foxhollow

Village stream

I am sure many residents will be pleased to see that the stream work has now been completed (although some long term work will be needed to secure the banks for the future). It is now very pleasant to walk and hopefully, with a little help from the rain, the grass seed will take hold and make the area once again glorious by the end of the summer. However, I do ask residents that find it necessary to dump their hedge and grass clippings in the stream to please refrain from doing this and preventing blockages is better than working to clear them and much cheaper in the long run.

If you see any trolleys in the stream please let Tesco know when you are in there next, as these are causing problems too.

Fridge

Thanks to all the numerous residents that rang with the kind offer of a fridge. I am glad to say that I now have one in the office (and very welcome it is too, in this weather)

Graffiti

There seems to be once again a spate of graffiti appearing in the village. If you witness this pointless act of vandalism please let the Police or the Clerk know. This sort of behaviour needs to be stamped out as quickly as possible.

Parish Council Meetings

The next Parish Council meeting will be held on Thursday 15th July 2004 at 7.00pm in the new Parish Council Office Meeting Room. The public is very welcome to attend both meetings.

Neighbourhood Watch

NOTES FROM THE HISTON NEWSLETTER

Hand bag and Wallet thefts - Bear in mind if you claim on insurance you will probably have to pay the excess so it is only worth claiming if the bag and/or wallet and its contents were valuable.

Other things to consider:

Report the theft to the Police – Remember to ask for and record your crime reference number.

Keys – if your bag/wallet contained your address as well as your keys, it's advisable to change your locks.

Pension/Benefit books – Inform the relevant government department as soon as possible and, if applicable, tell the Post Office where you normally draw your money.

Driving Licence – inform the DVLA on 0870 240 0009 also informing them of any changes that may have occurred. (Remember it is against the law to drive without a valid driving licence).

Passport – if you have lost your passport inform the police and the UK Passport Office on 08705 210410

Medication – if you have lost any medication ask your GP for a new prescription and inform the police to prevent any accidental or deliberate misuse of the drug.

Bank/Credit cards – Inform the relevant company(s) concerned immediately.

This list is not exhaustive and it is likely that there may be other items e.g. club membership cards, car documents, mobile phones etc.

The last piece of advice is to keep a close eye on your property and particularly, don't leave valuables in an unattended vehicle.

For further crime prevention advice on this or any other matter, contact the Community Safety Unit on 01223 358966

Please take care

Things that fly by

Walking around the footpaths gives me a lot of time to stand and watch the beauty and grace of our butterflies, some now on the wing, while others are waiting their turn soon. A warm sunny day, preferably with as little wind as possible, and from mid-morning onwards you're likely to see Peacocks, Small Tortoiseshell, Brimstone, Orange Tip, Green-Veined White, Speckled Wood, Common Blue, Red Admiral, Meadow Brown, and with many more coming later. They look so graceful, but most are very territorial, chasing trespassers away from their patch, similar to the Damsels and Dragons (No, not women and mythical beasts, but Damselflies and Dragonflies) which like butterflies can't be seen all year, so you have to make the most of them while you can.

Main dragonflies at the moment are Black-tailed Skimmers and Emperors (which are our largest ones) and these are divided into 'Hawkers' and 'Darters'. 'Hawkers' fly up and down their patch on patrol, returning occasionally to a favourite perch ready to launch themselves at anything that invades. 'Darters' sit at their perch mostly and dart out at anything moving. These insects have changed little since pre-historic times.

Butterflies belong to the order of insects known as 'Lepidoptera', which has over 140000 species, characterized by having pigmented scales all over their wings and body.

Dragonflies belong to the order 'Odonata' which has large insects with long brightly coloured bodies and two pairs on membranous wings with numerous cross-veins. ... so now you know!

A dead cat was found recently near the hotel roundabout. It was a grey-brown male without a collar or chip and has been taken to Ashcroft vets at Hardwick.

Thanks to Cheryl and others in the village for their help with things.

Bar Hill Parent and Toddler Group

(formerly Tots and Teds)

Bar Hill Parent and Toddler Group is a welcoming and friendly group set up to provide play and socialising for children 0-4 years. A committee of local volunteer parents runs the group. We meet in the Octagon every Wednesday and Friday morning 9.45 – 11.15.

Each session is run by a supervisor and provides a range of activities, which includes crafts; puzzles; imaginary play and a selection of outdoor toys (weather permitting). We provide refreshments and an opportunity to meet new people. Every 2nd Wednesday of each half term we hold a messy play session, which includes glue, paint and other kinds of mucky stuff (old clothes are highly recommended). We ask a small fee of £1.80 per child per session and £1.00 per sibling (this helps us cover the cost of the hall/refreshments/toys).

Events

Teddy Bear Picnic

On Wednesday 7th July 2004 please bring along your child's favourite Teddy for a Teddy Bears Picnic. The session will run for and extra hour (finishing at 12.15) and there will be a small picnic provided for children and Teddies. There will be a small additional charge of £1.00 for the Teddies.

Bar Hill Branch

The May Branch meeting was opened by the Chairman Tony Shubotham with the Exhortation. There were 18 members in attendance

The Hon. Secretary read out apologies from those who were unable to be present, also notices she had received from H.Q. and County Offices plus various branches with invitations to their respective functions that are happening during the year.

One of which is a Band Concert at St .Neots in October (last time was a sell out) we hope that they do as well this year.

Treasurers report we are still very strong financially. There was nothing to report on the welfare side of things.

Any other business-Our President Eddie Patrick presented Long Service Awards to Mike Duce as Chairman, Neville Clark as Branch Treasurer and last but by no means least Dave Cook for the position of Poppy Appeal Organiser. (But as Dave no longer lives on the village it was passed onto his Daughter Vicky for safe keeping)

Whilst on the subject of Poppy Appeal we now have our final figure from Aylesford for the year 2003/2004 which amounts to the grand total of £5092.12,which is an increase of £17 against 2002/2003. As previously stated in my reports in the BHN we, the branch members do thank you so much to all the companies, shops, visitors to Bar Hill and mostly to you the residents of Bar Hill. And don't forget we start all over again in November (we can still do with help in collecting).

We are having our stall at the Village Fete we welcome your support as usual.

D-Day - Our Branch was invited to attend the 60th anniversary at DUXFORD by sending our Standard which was paraded with 13 other Branches from various areas in the region, our Standard Bearer Mike Colon informed us that they had a marvellous day and treated very well. It is hoped that more invitations like that will come it's also very rewarding to those who put in the effort and hard work in the training.

We were also invited to send a message on the actual day to be placed on SWORD BEACH, where the British saw a lot of action. The message would be on the rear of a UNION JACK FLAG.(this in card form).

On 21st June, Group 4 (Bar Hill, Over, Swavesey, Histon & Impington Branches), are holding a meeting at Over Town Hall. Needless to say a great effort in attendance is required as the speaker is a Lt Col in the U.S.A.F. We shall put in a report of the meeting next month.

FINALLY- Our holiday in Kent is from 6th to 10th September. There are about 6 places left and at £155 per person, with Eclipse Coaches, is very good value and it is also a Bar Hill Coach firm so why not come along you may also make a friend.

The next meeting is 22nd July 2004 at the Village Hall new members are always welcome 19:30 hrs

Things we have done and will be doing

The Children have all arrived safely back at Sunshine after their long 4-week journey travelling the world. It was very exciting and we all had lots of fun. Our topics this half term will include dinosaurs, sports (including our sports day) and town and country just to name a few. The children will be participating in the 'Big Toddle' to raise money for Dr Barnardo's. Everybody with young children is welcome to join us.

Please phone Sunshine for more details.

The Reading Rollercoaster

Following the great success of last Summer's reading challenge 'The Reading Maze', this Summer, libraries in Cambridgeshire will be promoting an exciting new challenge called 'The Reading Rollercoaster'

Each child who joins will be issued with a collector's folder. As they read books during the Summer, they will collect sheets of stickers. Each sheet relates to a section of the Reading Rollercoaster on the collector folder.

To complete their own Reading Rollercoaster, children can fill in gaps on the folder with different sections of track from each sticker sheet. There are loops, a tunnel and a water slide. They also have different rollercoaster cars to add to the track and lots of weird and wonderful characters to stick to the background. There is space on the reverse for children to record their thoughts on the books they have read.

The Reading Rollercoaster rolls through some amazing landscapes, suggesting reading genres and themes for children to explore on their way through the challenge. These include space, planets and aliens, haunted houses, pirates and explorers, knights and castles, fantasy lands and a funfair. The bright, lively artwork will ensure that it appeals to children of all ages

Children may choose books from any section of the children's library. There is no set book list. However, lots of exciting new titles will be on display throughout the Summer to encourage participation. All children who read 6 books during the Summer will receive a certificate and a medal at special presentation ceremonies.

Three members of staff have NVQ's in Playwork, all are first aid trained and we are continually updating our training.

We have computers, various games machines, dancemats, Pool Table, TV & Video, construction toys, games, puzzles, numerous outdoor toys, many craft activities and much, much more. We are also lucky enough to be able to use the school facilities for outside play, as well as our large collection of outdoor toys and we also take the children on outings e.g. Sea Life Centre.

Please call Patsie for further details of activities, on either of the above numbers.

Happy Hours

The recycled youth club

On the 6th June, the Country celebrated the 60th. anniversary of the D Day Landings. To many of our generation this brought back many memories, some sad, some of relief, and some of thanks. As we watched the parades of the Normandy Veterans Association on T.V., it quite often brought tears to our eyes, for nature has implanted in our breasts, a sacred attachment to our native country where we derived our birth and infant nurture. Many of our members, men and ladies, were filled with pride, when thinking of the small part that they had played, wherever they may have been at this historic time. A small party of our members did attend the celebrations at Duxford, but having spent three to four hours in the heavy traffic, were only just in time to witness the aerial display.

Outings. Our outing to Knebworth House and Gardens, took place on Wednesday 2nd June. In glorious sunshine, we had a most enjoyable day, with a conducted tour of the House, and a little of the history of the Lytton-Cobald family, who still reside in the house. Our next outings will be on Wednesday 23rd. June, when we shall be visiting Lowestoft, and on Wednesday 21st July, when we will visit Felixstowe.

Talk. On Monday 7th June, we were to have had a talk from a member of the East Anglia Air Ambulance Service. However, travelling to our meeting by motor car, they were held up for over an hour following a serious accident on the A14. The talk has now been rearranged for Monday 12th July. Perhaps they may consider using their helicopter on this date.

Raffle. Our next raffle will be held on Monday 12th July, when we will be donating the proceeds to the Church Holiday Scheme. We have recently received letters of thanks from the Mid Anglia General Practitioners Ambulance Service for our donation, and also from the organisers of the Chernobyl Appeal for our generous collection of blankets, clothing and toiletries.

Village Fete. Once again Happy Hours will have held a 'Bottle Stall' at the Village Fete on Saturday 26th June. We give thanks all our members who have donated bottles, to the Committee of the Village Social Club for their generous support, and to Jean and Brian for their help in organising and running the stall.

New Members. We are pleased to welcome Barbara and Jerry Beever to our Club. I am sure that they will enjoy our company and join in our various activities.

Sickness. Fortunately, at the time of going to press, I have no recent illnesses to report, but we do send our best wishes to Ken Collins and Terry Barnes, who are both due to enter hospital for leg surgery. We also send best wishes to Joan Platt who is about to have yet another knee replacement operation. This being the third such operation in two years.

Bar Hill Social Club

Our recent cricket match against the cricket club ended in a well deserved win for the cricket club but a good match was had by all, I hope they can maintain similar form in their league matches ahead.

Would all members please note that the bar will no longer accept £50 notes due to the large amount of forgeries in circulation, sorry for the inconvenience this may cause.

When renewing or joining the Social Club this year between 1st August and 30th September you will be given a questionnaire asking you about your personal preferences and what you would like to see in the new refurbished club building when the village hall is redeveloped. All returned questionnaires will be allocated a number and a draw will take place in October, the winner of the draw will get a £50 voucher to spend in the club. All members views are important to us so please complete the form and return it to the bar staff.

Our summer outing this year will be to Legoland Windsor the cost will be £15 per person saving £8 per person on normal entry price. At the time of writing a final date had not been agreed but it will be mid to late August, if you wish to go please sign the notice on the board at the top of the entrance stairs.

Our Entertainment this month includes

Friday 16th	Casino Night

10/11 July

11am - 6pm

Open Studios will be celebrating their 30th anniversary this year. Three hundred Cambridge artists will be opening their studio doors during the four weekends of July. You will find if you pick up a free brochure from the library that the standard and range of work available are excellent. You can find anything from a wedding ring to a sculpture for your garden, but also just look. Associated exhibitions will also be taking place. Primavera has selected sixteen artists to show in the new Charles Lamb Gallery (opposite King's College Chapel) from 21 June to 25 July. If you can't make my weekends you can see my work exhibited there. The 2004 preview and launch exhibition will take place at Cambridge University Botanical Gardens on Saturday 26 to Sunday 27 June, so you can enjoy a weekend looking at both the gardens and the art; and by looking at this taster exhibition you can decide which studios you would like to visit. Palace House in Newmarket hold their exhibition between 6 and 8 July. There are various displays in the area – my work will be hanging in Cambridge Central Library.

To all the people who wished me well in Florence in 2003, I am artist number 177, and my studio will be open for the first two weekends of July, from 11am to 6pm. I hope to see you then. For those of you who are interestered in an update on what I have been doing since Florence: I taken part in shows at London's Battersea Park and at Bristol, both of which went well. I have been invited to exhibit at the International Exhibition of Contemporary Art at San Sebastian in Spain, but I will not be able to attend because of the necessity for surgery on my hands and spine in November – however, there is always next year! There is also the possibility of a fair in Paris in late summer.

If you have tried Open Studios before, you will know how rewarding they can be; if not, try visting a few places, and see how enjoyable art is for the artist as well as the viewer.

Little Acorns Pre-School

Little Acorns is a privately owned, non-profit making, pre-school.

We are situated in the meetings room (next door to the main church building). All of the staff are qualified Nursery Nurses.

We are open every day, morning and afternoon, during school term time. (9.15-11.45 am and 12.30- 3pm) There is a lunch club every day from 12 noon.

Monday, Wednesday and Friday afternoons are especially designed for children in the year before they start school and have a slightly different structure to our other sessions.

Children are welcome to attend from age two and a half.

Parents may choose to help at sessions during our "bring your Mum or Dad to Acorns" weeks, which are very popular.

We have recently received an excellent OFSTED report (the full version is available on request or can be accessed via the OFSTED web site). We were awarded "an aspect of outstanding practice in special needs" and overall the judgment, which we received, was very good.

We offer a "places for all policy", whereby we subsidise or give free places to families in need. Annually we ensure that at least three or four children are able to access good quality preschool education through this scheme. Please enquire about this.

For more information / a prospectus/ a registration form / a copy of our OFSTED report or to arrange a visit, please telephone Sally on 201074.

Cricket Club

Cricket history is littered with heroic tales of players defying injury and illness – Malcolm Marshall batting with a broken arm against England and Eddie Paynter rising from his hospital bed to score a century against Bradman's Australians, for example.

To that illustrious company can be added the name of Bar Hill's Simon Smith, who scored 6 not out minutes after (it later transpired) suffering a heart attack.

The drama happened during the game against Cambridge Jesters, when he suffered chest pains while waiting to bat but, feeling better, decided to go out into the middle. It was only later that the truth was revealed after a trip to Addenbrooke's.

At the time of writing, doctors are not certain what happened and Simon is waiting for tests to be carried out at Papworth but is in good spirits despite hospitalisation. Everyone at the cricket club wishes him all the best for a speedy recovery.

In the past month's games, the pick of the personal performances was undoubtedly by Phil Walmsley in the cup tie against Granta IV. Having taken 4 wickets for 28 in the visitors' innings of 172 for 8, the burly left-hander struck a superb 93 not out, full of powerful hitting and featuring one huge six. Sadly for Phil, he ran out of support when Bar Hill were dismissed for 155.

Meanwhile, when the action in the CCA League, Division 2NB finally got under way after early-season rain, the first team found themselves in great form, winning their first three games.

The heroes at Waterbeach were opener David Sandham, who batted the whole innings for 33 runs as Bar Hill struggled to 85 all out. He was helped in a stand of 35 for the last wicket by 14-year-old Tom Levitt, who made an invaluable 8 not out. The partnership proved vital, as Bar Hill bowled Waterbeach out for 64, with Steve Holt taking 4 for 20 and Walmsley 3 for 15.

Against Sutton II, Scott Stanford bowled with great control to take 3 for 18 off 10 overs, while Walmsley was again among the wickets with 3 for 30. Despite that, Sutton set a challenging total of 149 for 9. Cameron Scott (29), Paul Stimpson (32) and Walmsley (25) laid the foundations and skipper Dave Fletcher (25 not out) saw his team home with four wickets in hand.

Martin Haslop's 4 for 39 and Walmsley's 3 for 13 helped Bar Hill dismiss Over II for 104 in the next match and once Scott (34) had helped Bar Hill get off to a good start, the result was not in doubt. Stanford (23 not out) took the home side over the finishing line with six wickets to spare.

The month's friendlies provided some entertaining and competitive cricket, with the game against the social club a high point. This year, it was the cricket club who took the bragging rights after bowling out the social club for 49, with Martin Cullum and Jacques Human each taking three wickets. Jamie Cowan and Richard Page bowled dangerous opening spells for the social club, but Fletcher steadied the ship and his side won by five wickets.

In other games, two batsmen passed 50. Martin Cullum hit 51 not out in a defeat by The Globe and Stanford made 58 – his maiden half-century – in an exciting nine-run loss at Little Shelford.

Peter Howard also made 34 in that game, while Cameron Scott's 32 was the top score in the clash with Cambridge Jesters.

The youngsters also enjoyed an eventful month, with the under-15s enjoying excellent victories against Over, Cottenham and Ely & Haddenham, taking their record to four wins out of four. Craig Driver took 3 for 8 against Over, while the Cottenham game saw three wickets apiece for Cameron Scott and Tom Levitt. Cameron then hit a half-century against Ely & Haddenham.

The under-14s have endured some testing times, the high point being a victory over Hardwick which saw some impressive performances, with Jonathan Barber taking 3 for 22, Cameron Scott scoring 50 and Tom Levitt hitting 37 not out.

This month, look out for our parents v youngsters game and the eagerly-awaited ladies v gentlemen clash, scheduled for July 22 and July 29 respectively.

As always, log on to our website barhillcricket.org.uk for up-to-the-minute news.

Bar Hill News

We apologise for the slightly late publication of this edition of the Bar Hill News. This has been due to your volunteer editor having too many other thing that needed doing at the same time, including some emergency domestic repairs.

We are often in need of new volunteers to join or team of about 50 helpers. There are always people who need to stop helping for many different reasons, such as ill health, family commitments and moving away. We are currently looking for volunteers to help with delivery. Delivery is typically to something between 40 and 70 houses. We produce 11 copies each year, and we often ask you to help with the Fete Programme as well. If you are willing to help, please contact either Raja Iyer (200291) or Keith Morris (782441).
